

ChangeMaker Innovation Fellowship™ 2019

A Journey Toward Exploratory & Experiential Learning

For Minnesota schools/districts interested in taking a journey toward greater exploratory & experiential learning with an identified group of teachers/administrators

Process & Methods: The ChangeMaker Innovation Process™ and Methods for Education published book and graphic organizer pack is a gift we give all fellowship cohort members for free.

Products: Products used during facilitation of the fellowship cohort are free. Incubate to Innovate has over 50 products on our website www.incubatetoinnovate.com under the SHOP page. Many products will be highlighted during sessions that can be previewed and purchased if desired. A list of those products and prices that will increase systemic and systematic implementation are in this packet.

ChangeMaker Mighty Network: Members of the fellowship cohort will receive a lifetime free membership to the ChangeMaker Mighty Network - a national collaborative learning community for educators seeking to collaborate & connect.

Professional Development: Schools/Districts pay for facilitation of the ChangeMaker Innovation Fellowship™.

Certification: Members of the fellowship cohort will receive a certification from Incubate to Innovate called "ChangeMaker Innovation Fellowship™ Certification. The cost of this is included in the fellowship.

Cost:

- 4 sessions total
 - 90 minutes each
- 10 people minimum for engagement
- \$150 per person, per session

ChangeMaker Innovation Fellowship™ FAQ

What is the ideal number of people in a ChangeMaker Innovation Fellowship™?

Ten people or more on the team is ideal.

Who should be invited to attend a ChangeMaker Innovation Fellowship™ cohort?

A mix of teachers, administrators, and specialists create an outstanding collaborative learning community.

What is the ideal cadence of meetings?

Schools/districts can choose to do cohort sessions each quarter with communication and resourcing in between. Another option is to do one cohort session a month throughout Semester I and/or Semester II.

Can you run one cohort for Semester I and a new one for Semester II?

Yes, you can run as many cohort sessions as you would like.

What is the best way to recruit for the ChangeMaker Innovation Fellowship™?

Sending out information and allowing self-selection has been effective. Also, identifying emerging leaders and asking them to join the cohort fellowship has been helped to foster interest and commitment.

What times of day do you schedule?

We will work to meet the needs of your school/district schedule as best as we can. After school sessions are available. Some schools/districts are scheduling on early release days or professional development days, getting short-term subs to cover classes/courses, or any combination thereof. Scheduling is done on a first come-first ever basis.

Can you differentiate the training to meet the needs of teachers working with different age students and in different disciplines?

Yes! The ChangeMaker Innovation Process™, Methods for Education, and other products are customized for implementation with all age levels and are effective for all subjects/courses.

ChangeMaker Innovation Fellowship™ Overview

Session #1: Journey Toward Exploratory & Experiential Learning
